STANDARD FORM NO. 64

Office Memorandum • UNITED STATES GOVERNMENT

TO : General Counsel
(Attention: Mr. Pforzheimer)

FROM : Deputy Assistant Director for Communications

SUBJECT: Collection of Bills introduced to House and Senate

DATE: 18 March 1952

1. This refers to the collection of bills affecting communications introduced into the House and Senate during the present session of Congress.

2. These bills have been reviewed by the Plans and Policy Staff of the Office of Communications who inform me that there is nothing of interest to CIA in them about which we can do anything directly. Amendments to the Communications Act of 1934 are proposed, but they do not concern items of particular interest to this Office.
